Dear Ms. Diggs:

Please find attached a check in the amount of \$300.00 to cover the license application fees for the following Duke submittals.

By letter dated February 15, 1985, Duke provided six copies of Revision 8 to the Catawba Inservice Testing Program. A portion of the attached check covers the application fee for this submittal.

In response to NRC/License Fee Management Branch letter dated January 28, 1985, the remainder of the attached check is to cover the application fee for the NRC review of the McGuire Nuclear Station Inservice Inspection Plan, previously submitted by my letter of November 7, 1984.

Very truly yours,
