Dear Mr. Goldstein:

My February 1, 1985, response to Mr. Sinkin's letter has already fully and accurately set forth our inquiry to the Selective Service System concerning your client. The accusations in your February 7 letter are as meritless and insulting as those contained in your client's letter of January 30, 1985. Accordingly, I do not plan to correspond further with either you or your client on this matter.

Very truly yours,

*Jack R. Newman*
