Washington, D. C. 20555

Subject: Core Operating Limits Report, Cycle 11

Dear Sir:

Florida Power Corporation (FPC) is submitting the Crystal River Unit 3 (CR-3) Core Operating Limits Report (COLR), Cycle 11 in accordance with Improved Technical Specification 5.6.2.18. CR-3 is in the final stages of Refuel 10 and the operating limits in this COLR will govern core operations at restart.

Sincerely,

G. L. Boldt
Vice President
Nuclear Production
