

Florida Power

CORPORATION

Crystal River Unit 3
Docket No. 50-302

May 1, 1996
3F0596-02

U. S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, D. C. 20555

Subject: Withdrawal of Rated Thermal Power Increase License Amendment Request

Reference: FPC to NRC letter, 3F0994-08, dated September 30, 1994

Dear Sir:

Florida Power Corporation (FPC) is withdrawing its request in the reference letter for an operating license amendment for Crystal River Unit 3 (CR-3) to operate at 2568 Mwt. If FPC decides at a later date to pursue an increase in CR-3's rated thermal power level, a new license amendment request will be submitted.

Sincerely,

P. M. Beard, Jr.
Senior Vice President
Nuclear Operations
