NOTIFICATION OF ORGANIZATIONAL CHANGE

Gentlemen:

In accordance with the requirements of the Environmental Technical Specifications for Plant Hatch, Georgia Power Company hereby provides notification of organizational changes which will require changes to the Technical Specifications. The title and position of the Senior Vice President - Nuclear Operations has been created. This position will report to the Senior Vice President - Nuclear Power. Reporting to the new Senior Vice President will be the Vice President and General Manager - Nuclear Operations.

A request for an Amendment to the Technical Specifications which reflects the above change to the Georgia Power Company organization will be submitted in the near future.

If you have any further questions, please contact this office.

Very truly yours,

L. T. Gucwa
