Good Morning,

Now that the decision has been made to close the hospital and terminate its NRC license we now need a formal notice of the intent to terminate NRC License No. 47-25358-01. Please include the current inventory of licensed material still in possession (including sealed sources), where they are stored and your plan to secure all licensed material. The letter should be signed by Mr. Kane and should be sent to me as a pdf.

Please contact me with any questions.

Regards,
