Attention: B. Sheron, Director  
Division of Engineering, NRR

Subject: "Laser Welded Sleeve Installation at the South Texas Power Plant"

Dear Mr. Sheron:

Attached is a copy of the letter report SG-96-05-013, entitled, "Specific Application of Laser Welded Sleeves for the South Texas Power Plant Steam Generators" for your use. The subject report contains information which is proprietary to Westinghouse Electric Corporation.

We will comply with the requirements of 10 CFR 2.790 to provide proprietary and non-proprietary versions of the above material together with an affidavit as soon as the proprietary and non-proprietary versions have been prepared in their entirety. We will submit the total required number of copies of the proprietary and non-proprietary versions of the information and the required affidavit at that time.

We expect to be able to fully comply with the requirements for the proprietary and non-proprietary versions of the information and an accompanying affidavit within four weeks.

Very truly yours,

N. J. Liparulo, Manager  
Regulatory & Engineering Networks
