Mr. M. D. Lynch
Licensing Project Manager
Division of Licensing
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Lynch:

- Reference: (1) Fermi 2
NRC Docket No. 50-341
- (2) Detroit Edison to NRC Letter, "Additional
Information on Diesel Generators",
NE-85-0345, dated March 6, 1985

Subject: Letter Correction

Reference 2 was transmitted to Mr. Youngblood with an Edison letter number that was improperly assigned. Please renumber your copy of Reference 2 to reflect Edison number NE-85-0460 in lieu of its current number (i.e., NE-85-0345).

Edison apologizes for any inconvenience this may cause. Direct any questions to me at 313-586-4211.

Sincerely,

O. K. Earle
Supervisor-
Licensing
