General Comment

This proposal is very DANGEROUS and will place the UNKNOWING American PEOPLE at much higher risk for cancer caused by radiation. I completely OPPOSE this proposal.

THis proposal will expose people to radiation 20 times higher than the EPA's safe range. What's more, this endangerment will be done WITH NO NOTIFICATION, NO PUBLIC HEARINGS, NO REVIEW. How can you allow this?? HOW much is the nuclear industry paying you to do their bidding, because you are clearly NOT doing this in the interest of US, the PEOPLE!!

And your justification is efficiency?? efficiency for the INDUSTRY, POISON for the PUBLIC!! THis is the utterly corrupt trump administration doing what corporations want, and to hell with the rest of us. STOP SELLING US OUT. STOP KILLING US.
