**Subject:** [External\_Sender] Holtec International's application for the HI-STORE Consolidated Interim Storage Facility

There is no proven safe way to store nuclear waste. My bottom line question is this: Would you personally want to live next to (or anywhere near) this storage facility?  
You are proposing to endanger people's lives. I find this proposal unconscionable.

Sincerely (and so glad I don't live anywhere near there)  
Lore Weber
