Good morning Ms. Chasteen,

I have reviewed your request dated 2/4/20 to add a number of Authorized Users to the subject license.

Please provide a signed (by Dr. Maxwell Amurao) and dated letter indicating that the physicians (please list the names) are Authorized Users and the specific material each physician is authorized to use on NRC license no. 24-00167-11, Washington University in St. Louis. The information provided in your 2/4/20 letter lists the individual physicians as Co-Authorized Users with a Primary Authorized User which are not NRC definitions.

Please acknowledge receipt of this email and let me know if you have any questions regarding the above.

Thank you
