RE: Docket #50-336-OLA, FOL #DPR-85, (ASLEP # 92-865-02-OLA)

Dr. Gordon Thomason will not attend the hearings because of his need for funding and until such time as the Board includes those contentions which though submitted were denied that relate to previously unreviewed maximum accident scenarios.

Dr. Michio Kaku will not attend the November 5, 1992 pre-hearing because of the demands of his teaching schedule. He teaches Monday through Friday. Please accommodate Dr. Kaku by moving the pre-hearing to New York City during his winter recess which begins December 17, 1992. This will afford him time to prepare and attend that meeting.

Copies have been sent to NRC personnel on service list by First Amendment Class, and all others by first class postcard,

on Oct. 23, 1992.
