Subject: Duane Arnold Energy Center
Docket No: 50-331
Op. License No: DPR-49
NRC Bulletin 96-04, "Chemical, Galvanic, Or Other Reactions In Spent
Fuel Storage and Transportation"

File: A-101a

Dear Sir:

We have reviewed the subject NRC Bulletin and determined that no action is required at the Duane Arnold Energy Center (DAEC). The DAEC is currently not a licensee with an independent spent fuel storage installation. We therefore will not perform the actions requested in the Bulletin.

Should you have any questions, please contact this office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kenneth E. Peveler".

Kenneth E. Peveler
Manager, Nuclear Licensing and Emergency Planning
