CONFIRMATION OF OPERATOR LICENSING EXAMS

The purpose of this letter is to confirm the schedule for the next operator licensing exams to be administered at V. C. Summer Nuclear Station. This issue was discussed between Mr. Charlie Payne of your office and Mr. A. R. Koon of my staff on July 17, 1996. In this discussion, it was agreed that exams for Reactor Operator license candidates will be administered during the week of November 17, 1997. Please include these dates on your schedule for operator exams in 1997.

Thank you for your assistance in this matter. If you have any questions, please contact Mr. A. R. Koon at (803) 931-5120.

Very truly yours,

Gary J. Taylor
