Re: Three Mile Island Alert, Inc. v. U.S.
Nuclear Regulatory Commission, et al.,
No. 85-3244 (3rd Cir.)

Dear Ms. Doroshow and Ms. Bernabei:

As you know, this firm represents a large number of individuals who are or were operators at the Three Mile Island Nuclear Generating Station. Also, as you know, I am on the service list in the TMI-1 (Restart) proceeding due to that representation. Furthermore, our clients comprise most of those individuals who may be affected by the "leak rate" hearings that are to be held by the Commission, and that are discussed in the order under review.

For these reasons, we are entitled to service of pleadings such as the petition for review that you filed in the above-referenced case. However, we were not served with your petition. Please serve us with such pleadings in the future.

Thank you for your attention to this matter.

Very truly yours,

Michael F. McBride
