Dr. Jerry Kline
Administrative Judge
Atomic Safety and Licensing Board
U.S. Nuclear Regulatory Commission
Washington DC 20555

In the Matter of
VIRGINIA ELECTRIC AND POWER COMPANY
(North Anna Power Station, Units 1 and 2)
Docket Nos. 50-338/339 OLA-1 and OLA-2

Dear Administrative Judges:

Enclosed is a motion for a six-day extension of the deadline for submission of prefiled testimony in this proceeding.

This motion, which has the consent of all parties, is intended to supplant a similar motion submitted by CCLC on April 26.
