Dear Sirs:

Dr. Albert E. Bolon, Reactor Director of the University of Missouri-Rolla Reactor Facility, has become ill and is not planning on working for the next several months while he recovers. In his absence I have been appointed to serve as Acting Director. I will also retain my normal responsibilities as Reactor Manager. Thus, I will be serving the dual role as both Reactor Manager and Acting Director. The internal appointment memo approved by Dean Lee W. Saperstein is attached.

The appointment is temporary and will be rescinded upon Dr. Bolon's return to work.

Sincerely,

David W. Freeman
Reactor Manager and
Acting Reactor Director

MEMO TO: David Freeman, UMR Reactor Manager

FROM: Dr. Albert E. Bolon, Reactor Director *AEB*

DATE: July 23, 1996

SUBJECT: Succession For Assuming Reactor Director Responsibilities And Delegation of Signatory Authority

In my absence, you are to serve as Acting Reactor Director and assume full responsibilities of both the Reactor Manager and Director.

I am delegating signatory authority to you to sign letters of correspondence, request for license amendments, authorizations, review and approvals, and record and report forms that pertain to the operation of the University of Missouri-Rolla Reactor Facility. This delegation of signatory authority is applicable in my absence and will be rescinded upon my return.

Approved:
