SUBJECT: Peach Bottom Atomic Power Station, Units 2 and 3  
1996 Annual Emergency Exercise Objectives

Reference: Letter from W. J. Lazarus (NRC) to C. A. McNeill (PECO Energy) dated August 9, 1989

Dear Sir:

Attached are the objectives for the Peach Bottom Atomic Power Station (PBAPS), Units 2 and 3, 1996 Graded Emergency Preparedness Exercise, scheduled for November 19, 1996. In accordance with guidance provided in the reference letter, this information is being submitted ninety days prior to the start of the exercise. This is an off-hours full participation exercise, therefore, it will involve off-site emergency response organizations.

The reference letter provides guidance on the submittal of emergency exercise objectives and scenario guidelines. Additionally, it specifies that the scenario only be protected and distribution limited to those individuals identified in the letter. However, based on our conversations with NRC Region I representatives concerning the confidentiality of emergency exercise objective and scenario guidelines, the attached objectives will only be distributed to those individuals specified as recipients in the letter and is not for public disclosure.

PECO Energy has designated Mr. Gerard A. Bird, Manager, Emergency Preparedness Section to interface with the NRC regarding this exercise. He will be in contact with the appropriate individuals at NRC Region I regarding the specific timeframe for this off-hours exercise. Please forward any future correspondence concerning this exercise to him at the address below.
