COMMONWEALTH EDISON COMPANY'S
NOTICE OF DEPOSITIONS
(NRC STAFF WITNESSES ON NEINER FARMS CONTENTION 4)

Pursuant to 10 C.F.R. §2.720(h)(2)(i) and §2.740a(a), notice is hereby given that on May 17, 1985, Commonwealth Edison Company ("Applicant") shall depose one or more NRC Staff witnesses to be identified by the Executive Director of Operations. The deponents shall be the NRC Staff witnesses who have knowledge and information regarding Neiner Farms Contention 4 which concerns the risks of explosion of munitions trains passing near the Braidwood Plant. Specifically, the witnesses shall be: (1) any NRC Staff witness who has prepared or participated in the preparation of any analyses of the probability of occurrence of such of an event, or who has been or will be assigned to conduct such analyses; and/or (2) any NRC Staff witness who has prepared or participated in the preparation of a structural analysis of the Braidwood Plant relative to the impact of such an event, or who has been or will be assigned to conduct such an analysis. Applicant is informed that the probability analysis has been assigned to the group supervised by Dr. Kazimieras Campe.
