May 3, 1985

Mr. Harold Denton
Director of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

c/o Standardization and Special Projects Branch

Atten: Document Control #50-192

Dear Sir:

The University of Texas plans to dismantle and decommission the TRIGA reactor operated by authorization of license R-92 (Docket #50-192). Enclosed are nineteen (19) copies of the Decommissioning Plan.

The activities of the Decommissioning Plan are directly related to The University of Texas at Austin license request recorded as Docket #50-602. Special nuclear materials and by-product materials are to be transferred from license R-92 to a license or licenses related to Docket #50-602. Materials, reactor components and other equipment not transferred to the activities referenced by Docket #50-602 will be subject to the enclosed Decommissioning Plan for Docket #50-192.
