Attention: Mr. Allen D. Gray
Executive Vice President

Gentlemen:

Pursuant to your letter of April 8, 1958, License No. R-174 as amended is further amended in the following respects:

1. The licensee is authorized during the period ending July 31, 1958 to discharge into the Cheyenne River clarified liquors from the licensee's slimes tailings pond which is located adjacent to the licensee's Edgemont uranium processing mill, provided that:
 - (a) Such liquors are discharged in such a manner as to prevent the release of appreciable concentrations of suspended solids; and
 - (b) The volume of such liquors discharged into the Cheyenne River in any one day shall not exceed 1.0% of the volume of water flowing in the Cheyenne River, during that day, past the point of discharge.
