Dear Commissioner Roberts:

I am writing to express my appreciation for your taking the time to meet with me on Thursday.

As you are aware, the vast majority of LILCO's current problems are related, either directly or indirectly, to the future of our Shoreham Nuclear Power Station.

As I am sure is obvious, our highest priority is to operate a safe, reliable and efficient power station, and to do so as soon as is consistent with appropriate safety considerations.

Sincerely,

W. J. Catacosinos
