In the Matter of
VIRGINIA ELECTRIC AND POWER COMPANY
(North Anna Power Station, Units 1 and 2)
Docket Nos. 50-338/339 OLA-1 and OLA-2

Dear Administrative Judges:

I regret to inform the Board that the Concerned Citizens of Louisa County has decided against filing pre-filed testimony today and will not be presenting a direct affirmative case during the evidentiary hearing beginning May 21.

This is somewhat embarrassing in light of our recent motion for an extension of the deadline for filing testimony. All I can offer by way of explanation is that as of last week I had every intention of filing a substantial piece of testimony on or before the deadline.

Sincerely,

James B. Dougherty
