1992 Radiological Emergency Preparedness Exercise Scenario

Gentlemen:

In accordance with the 60-day pre-exercise schedule specified in FEMA REP-14, "Radiological Emergency Preparedness Exercise Manual", attached is the scenario package for the 1992 Radiological Emergency Preparedness Exercise at Arkansas Nuclear One (REX-92).

To avoid potential compromise of the exercise scenario, Entergy Operations, Inc. requests that the attachment not be placed in the Public Document Room until after the exercise date.

If you have questions or comments concerning this submittal, please do not hesitate to call Fred VanBuskirk at (501) 964-6901.

Very truly yours,
