Subject: Cooper Nuclear Station Emergency Preparedness Exercise Information

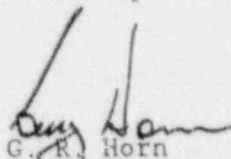

Gentlemen:

Nebraska Public Power District is hereby submitting a copy of the following items: (1) A detailed description of the exercise sequence of events and (2) complete controller packages for the 1992 Cooper Nuclear Station Emergency Preparedness Exercise.

In order that any necessary changes may be incorporated into the exercise scenario, it is requested that all NRC comments concerning the detailed scenario be submitted to my office no later than Monday, August 10, 1992.

Should you have any questions or comments regarding the enclosed information, please contact me.

Sincerely,

G. R. Horn
Nuclear Power Group Manager
