Reference: Docket No. 50-285

Gentlemen:

SUBJECT: Fort Calhoun Station (FCS) 1992 Emergency Preparedness Exercise

Enclosed is a manual containing a description of the 1992 FCS Emergency Preparedness Exercise to be conducted on October 14, 1992. The submittal is being transmitted at least sixty days prior to the exercise according to established standards.

A copy of this transmittal is also being sent to the Federal Emergency Management Agency, Region VII, for their information. The States of Iowa and Nebraska will not be participating beyond receipt of emergency notifications.

Any revisions made to this manual after the date of transmittal will be reviewed with the NRC exercise inspection team by Omaha Public Power District.

If you should have any questions, please contact Mr. Owen J. Clayton, Supervisor - Emergency Planning at (402) 533-7309.

Sincerely,

W. G. Gates
