Subject: Vermont Yankee Service List

Dear Sir:

At the verbal request of Mr. Eugene M. Kelley, USNRC Region I, Vermont Yankee has reviewed the NRC document Service List in an effort to reduce the duplication and mailing costs for correspondence by eliminating addressees that no longer require direct receipt of NRC documents relating to Vermont Yankee.

The following Vermont Yankee individuals may be deleted from the Service List:

- Mr. J. Gary Weigand, President and CEO, VYNPC
- Mr. James Pelletier, Vice President - Engineering, VYNPC

In addition, Vermont Yankee has contacted several other individuals currently on the Service List and has identified three non-Vermont Yankee individuals who may not require continued inclusion on the list. These individuals are:

- State of New Hampshire, SLO Designee (Mr. G. Iverson, NH Office of Emergency Mgt.)
- Mr. Raymond N. McCandless, Vermont Division of Operational and Radiological Health
- Chairman, Board of Selectmen, Town of Vernon

Vermont Yankee recommends, however, that NRC obtain verification directly from these three individuals prior to their respective deletion from the Service List. Should you have any further questions with regard to this information please contact this office.

Very truly yours,

VERMONT YANKEE NUCLEAR POWER CORPORATION
