SUBJECT: NRC REQUEST FOR ADDITIONAL INFORMATION RELATED TO THE AP600
DESIGN

Dear Dr. Murley:

Please find attached information in response to your July 14, 1992 request for additional information related to the AP600 design. This information is provided for use in the preparation of RELAP-5 input data for research activities in support of the Westinghouse application for Final Design Approval and Design Certification of the AP600. Two copies of the requested information are included.

The Westinghouse Electric Corporation copyright notice, proprietary information notice, application for withholding and affidavit are also attached.

This submittal contains Westinghouse proprietary information consisting of trade secrets, commercial information or financial information which we consider privileged or confidential pursuant to 10CFR9.17(a)(4). Therefore it is requested that the Westinghouse proprietary information attached hereto be handled on a confidential basis and be withheld from public disclosures.

This material is for your internal use only and may be used for the purpose for which it is submitted. It should not be otherwise used, disclosed, duplicated, or disseminated, in whole or in part, to any other person or organization outside the Commission, the Office of Nuclear Reactor Regulation, the Office of Nuclear Regulatory Research, and the necessary subcontractors that have a signed proprietary non-disclosure agreement with Westinghouse without the express written approval of Westinghouse.
