Dear Mr. Stolz:

Re: Seabrook Station

As a Joint Owner, the Massachusetts Municipal Wholesale Electric Company (MMWEC) would like to be copied on all correspondence originating from the Nuclear Regulatory Commission directed to Mr. Ted Feigenbaum. This is similar to the correspondence you send to Mr. John F. Opeka at Northeast Utilities.

In addition to this request, we are asking that all correspondence relating to the projects, for which MMWEC is a Joint Owner, be directed as follows:

Mr. David W. Graham
Fuel Supply Planning Manager

Thank you for your cooperation and prompt attention to this request.

Sincerely,

Joseph O. Roy
