Gentlemen:

In accordance with 10CFR50.54(p), Entergy Operations, Inc. hereby submits the original and three copies of the affected pages of the Physical Security Plan, Revision 13, Change 1. Attached is a description of the change to the Waterford 3 Physical Security Plan. The change does not decrease the safeguards effectiveness of the security plan.

Please note that the September 10, 1992, NRC letter documenting the Staff's review of Revision 13 to the Physical Security Plan, was received after Revision 13, Change 1 was implemented in August, 1992. Waterford 3's response to that review shall be submitted at a later date with the next revision to the Physical Security Plan.

If there are any questions on this matter, please contact R.E. Allen, Security & General Support Manager, at (504) 464-3281.

Very truly yours,
