Gentlemen:

As a result of the inspection conducted on December 7, 1984, a Form NRC-591, SAFETY INSPECTION, is issued for your NRC general license. The enclosed form sets forth the item of noncompliance noted. Please acknowledge receipt of this form by signing and dating in the appropriate space on all copies. You are requested to retain the original and return for signed and dated copies to this office within ten days.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, as discussed during telephone interviews with you.

Thank you for the cooperation extended to my staff during the inspection.

Sincerely,

D. J. Sreniawski, Chief  
Nuclear Materials Safety  
Section 1
