Docket No: 50-331
Op. License No: DPR-49
Scheduling of the 1985 Exercise
Ref: Letter, NG-84-4925, Scheduling of the 1985
Exercise, dated November 21, 1984
File: A-221, A-105

Dear Mr. Keppler:

The above-referenced letter indicated Iowa Electric's intent to conduct an off-hours Annual Emergency Planning Exercise on October 30, 1985. After considering various aspects of our long-term exercise program, we have decided not to conduct an off-hours exercise this year. An off-hours exercise will be conducted in 1986 to ensure consistency with NUREG 0654 guidance.

If you have any questions regarding this matter, please contact myself or Mr. David J. Hingtgen, Emergency Planning Coordinator at (319) 398-4484.

Very truly yours,

R. W. McGaughy
