TELEPHONE CALL WITH JOHN HAMILL, PRESS SECRETARY TO REPRESENTATIVE JOSEPH E. KARTH

Mr. John Hamill, Press Secretary to Representative Joseph E. Karth wrote an undated letter to Mr. Robert D. O'Neill, Director, Congressional Relations in which he asked a number of questions regarding the Monticello safe ends and the possible relationship between these and the thermal sleeve incident at Indian Point.

I discussed each of Mr. Hamill's questions with him by telephone on July 16. At the conclusion of the call Mr. Hamill stated that a written reply would be unnecessary since he feels now that all of his questions regarding the Monticello and Indian Point facilities have been answered.
