WASHINGTON, D. C. 20555

NOV 20 1992

MEMORANDUM FOR: Don Lanham, Document Management Branch, DISS, IRM
FROM: Cheryl Trottier, Leader, HPS, RPHEB, DRA, RES
SUBJECT: REGULATORY HISTORY FOR FINAL RULEMAKING, STANDARDS FOR
PROTECTION AGAINST RADIATION; EXTENSION OF IMPLEMENTATION
DATE

In accordance with the procedures established by the Executive Director for Operations for ensuring that a complete regulatory history is compiled for each rulemaking action undertaken by an office under his purview, enclosed are the documents of central relevance to a final rule amending 10 CFR Parts 19 and 20, "Standards for Protection Against Radiation; Extension of Implementation Date" (57 FR 38588). Please add these documents to the regulatory history for this rulemaking. An index of the enclosed documents is provided for completeness.

The designator assigned by the Rules and Directives Review Branch is AE21-Y² and is noted in the upper right-hand corner of the cover page for each document. Documents 1 through 45 in Group A are to be placed in the Public Document Room and have been so marked. Documents 1 through 4 in Group B are to go to Central Files and are also marked.
