SUBJECT: DEATH OF MAINTENANCE WORKER DUE TO ONSITE INJURY

The licensee reported on June 6, 1985 that a maintenance electrician injured on June 3 had died at 5:30 PM on June 5. The individual was working in a machine shop outside the protected area at the time of the accident. A piece of material he was buffing was thrown at him and penetrated his skull. He was administered first aid and transported to a local trauma center where emergency treatment was conducted, but did not regain consciousness.

The licensee has informed the news media and has reported the death in accordance with 10 CFR 50.72.
