Dear Mr. Garcia:

This is in response to your letter of November 3, 1992, confirming my participation in the Temporary Storage Workshop in Boston, Massachusetts, on December 10, 1992. Because of schedule uncertainties, Mr. Robert Nelson, of my staff, will be attending the workshop in my place. Presentation materials are enclosed as you requested. We look forward to this additional opportunity to discuss the temporary storage of low-level radioactive waste with the generator community.

Sincerely,
