Gentlemen:

Subject: Renewal of License No. 12-07367-01

In response to your notice dated September 4, 1984, we are submitting this letter request in duplicate for renewal of our USNRC Materials License No. 12-07367-01 which expires on November 30, 1984.

The subject license, Amendment No. 14, was granted to us on March 30, 1979 in accordance with application received March 21, 1979; the previous Amendment No. 13 was approved on July 15, 1977 in accordance with application dated April 25, 1977. Please be advised that there are no changes in our program and that we wish to continue operating under the current license, in accordance with the applicable NRC regulations and license conditions.

Per 10 CFR 170.11, our agency is exempt from the license fee.

If you have any questions concerning the renewal, these can be directed to Ms. Ljerka M. Kristoff, Radiation Protection Officer, (312) 780-4071.

Your cooperation in the processing of the renewal of our license will be greatly appreciated.

Very truly yours,

8506110373 850524
