RE: Peach Bottom Generating Station NPDES Permit PA 0009733

Dear Mr. Donato:

Per your request of May 8, 1985, attached is the revised schematic of Water Flow for the NPDES permit application previously submitted for Peach Bottom Generating Station. The schematic has been revised to show the "Emergency Service Water System" and the discharge points under our current NPDES permit.

If there are any questions, please call David W. Mobraaten at (215) 841-5679.

Sincerely yours,

W. B. Willsey  
Director  
Environmental Affairs
