Gentlemen:

Radiology Professional Association stopped performing nuclear medicine studies at 142 Palisade Avenue and transferred the gamma camera and associated equipment to Christ Hospital, as of June 1, 1992 and the remaining equipment was sold to Diagnostix Plus, Inc., P.O. Box 437, New Hyde Park, N.Y., 11040, (a copy of the equipment list sold to them is enclosed).

Sincerely yours,

Irwin Hirshberg, M.D.
