HONORABLE NUNZIO J. PALLADINO
CHAIRMAN
U.S. NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

DOCKETER
USNRC

85 JUN-5 P2:51

DEAR CHAIRMAN PALLADINO: OFFICE OF GENERAL
DOCKETING & SERVICE
BRANCH

I AM NOT ACCUSTOMED TO WRITING TO
CONGRESSMEN ABOUT POLICY ISSUES; HOWEVER, I
FEEL THAT THE NUCLEAR THREAT IS GREAT
ENOUGH TO PROVOKE MY WRITING.

I WISH TO EXPRESS MY WHOLE-HEARTED
SUPPORT FOR YOUR PROPOSAL TO CONVERT
U.S. RESEARCH REACTORS FROM HIGHLY EN-
RICHED URANIUM FUEL TO LOW ENRICHED
URANIUM FUEL. CONVERSION SHOULD TAKE PLACE
AS SOON AS POSSIBLE TO AVOID POSSIBLE
USE OF HEU FUEL IN NUCLEAR WEAPONS.

SINCERELY,

Janice L. Brill
