Gentlemen:

This is in reply to your letter dated November 2, 1992, returning Invoice No. AM05276-92 and enclosing a copy of Amendment No. 1 dated July 15, 1992, which terminated License No. 48-24885-01.

As stated in the final revision to the Commission's fee regulations in 10 CFR 170 and 10 CFR 171 for FY 1992, which was published in the Federal Register July 23, 1992, the Commission exempted from the FY 1992 annual fee those licensees and holders of certificates, registrations and approvals who either filed for termination or for a possession only/storage license during the period October 1, 1991, through December 31, 1991.

Because your request to terminate License No. 48-24885-01 was filed on June 8, 1992, it was not timely filed for purposes of the fee exemption for FY 1992. Accordingly, Invoice AM05276-92 is past due and payable. Please be aware that interest, administrative and penalty charges have been assessed on this delinquent debt. This delinquent debt now totals \$2302.57 through October 24, 1992. Non-payment of debts due the NRC may result in suspension or revocation of any other license or approval issued to the licensee and referral of the delinquent debt to a collection agency in accordance with 10 CFR 15 of the Commission's debt collection regulations, copy enclosed.

Sincerely,

15/
