Mr Joseph Hendrie, Commissioner
U.S. Nuclear Regulatory Commission
Washington, D.C.

JLE

Dear Commissioner Hendrie:

As a resident of central Pennsylvania,
I am asking you to vote for the closing
of the Three Mile Island Nuclear Gener-
ating Station.

In light of Metropolitan-Edison's
irresponsible actions during and since
the March 28th accident, I feel it
is imperative that their license to op-
erate this facility be permanently re-
voked.

I congratulate you for having the
courage to impose the \$155,000 fine and
hope that you will continue to act
in a manner which reflects an honest
evaluation of all the facts concerning
this issue.

Sincerely
Timothy J. Leary
