FREEDOM OF INFORMATION
ACT REQUEST

FOIA-92-253

Rec'd 6-1-92

Dear Mr. Grimsley:

This is a non-commercial request under the Freedom of Information and Privacy acts.

As stated in section (4) (A) of the Freedom of Information Act, 5 U.S.C. 522, as amended in 1974 by public law 93-52, the information requested by Grand Rapids Magazine is "primarily benefiting the general public," so I request a waiver of any fees.

I request a complete and thorough search of all filing systems and locations for all records maintained by your agency pertaining to the enclosed document and the issues and events mentioned therein.

This request specifically includes, but is not limited to, numbered and lettered subfiles, memos, investigation reports, licensee event reports, copies of photographs, search slips, abstracts, tapes or handwritten typed logs, transcriptions of telephone conversations and of interviews, and any other kinds of documents.

I wish to make it clear that I want all records in your office "identifiable with" this request, even though reports on those records or copies of the records remain in another office, such as Region III in Chicago. I do not want "interim" documents only. I want all documents as they appear in all files, in all forms in all units of your agency.

If documents are denied in part, please specify the exemptions claimed for each page or passage. For documents withheld in their entirety, please state, in addition, the date of and the number of pages in each document. If any records responsive to this request are stamped or in any way identified as classified (or as "safeguards information"), please treat this as a request that such records be declassified.

I request that excised material be "blackened out" rather than "whited out" or "cut out" and that the remaining non-exempt portions of documents be released as provided for under the Freedom of Information Act. Please advise of any destruction of records and include the date of and authority for such destruction.

Please call rather than write if you have any questions concerning this request. I expect a response to this request within ten (10) working days, as provided for in the Freedom of Information Act.

Sincerely,

Ryan Tutak/Reporter
