Dear Mr. Book:

As you probably are aware, the State of Nevada is in the process of seeking a revocation of NECO's license at Beatty, Nevada. One area of concern is the corporate mismanagement of NECO as reflected by their past track record. I would appreciate your office forwarding a copy of your inspection and enforcement report #76-02, and a statement certifying said document as a public record on your letterhead. I have enclosed a sample copy of said certification. Your immediate attention to this request will be much appreciated in that the hearing is presently set for November 27, 1979.

Kindest personal regards.

Sincerely,

RICHARD H. BRYAN
Attorney General
