Nuclear Regulatory Commission
Washington, DC 20555
Attn: Charles E. MacDonald

Dear Sir:

As per my conversation with your NRC Representative on the above noted date, enclosed is the revised copy of the Organizational Chart which was requested.

This chart is part of our 10 CFR Part 71 QA Program. I hope you will find the above to your satisfaction. If there are any questions, please do not hesitate to contact this office.

Very truly yours,

Paul M. Skorohod

Paul M. Skorohod
Vice President
Metals Testing Division
