FREEDOM OF INFORMATION ACT REQUEST

Dear Sir/Madam:

The Technical Information Project requests the following records under the Freedom of Information Act:

ITEM 1: One copy of the most recent license (with amendments) covering Northern States Power's Pathfinder Plant near Sioux Falls, South Dakota. The plant no longer operates, but has a license to possess and/or store nuclear material at the plant.

ITEM 2: One copy of the most recent license (with amendments) covering 3M's (Minnesota Mining and Manufacturing) plant near Brookings, South Dakota.

ITEM 3: One copy of a "site selection report" or similar document that may have been submitted to the NRC by Chem-Nuclear Systems, Inc., or their consultants, concerning selection of a site for low-level radioactive waste disposal in South Dakota.

ITEM 4: One copy of enclosure 1 referred to in the Waste Management Meeting Report on page 2 of the Memorandum to Leo B. Higginbotham (Exhibit 1).

ITEM 5: All notes, telephone logs, and/or any other records of any and all NRC employees, particularly within the Division of Waste Management, concerning a low-level radioactive waste disposal site(s) in South Dakota. We request only those documents not provided in FOIA-84-550, FOIA-84-786, or FOIA-83-662.

ITEM 6: All notes, telephone logs, and/or other records of any and all NRC employees, particularly within the Office of State Programs and the NRC's Regional Office covering South Dakota, concerning low-level radioactive waste disposal and concerning agreement state status. We request only those documents not provided in FOIA-84-550, FOIA-84-786, or FOIA-83-662.

ITEM 7: All other records not included in ITEM 1 through ITEM 6, concerning low-level radioactive waste disposal in South Dakota or agreement state status in South Dakota not provided in FOIA-84-550, FOIA-84-786, or FOIA-83-662.

The Technical Information Project requests that the items be forwarded to us within the time deadlines of NRC regulation. We will agree to pay up to \$20.00 for any information, if you must charge a fee.

We seek waiver of any fee. The Technical Information Project is a non-profit organization and the information we seek will not be used to our benefit or to the monetary benefit of any other entity. The information is of wide public interest in South Dakota and will be widely distributed.

Thank you for your consideration of this request.

Sincerely,
