Glen Ellyn, Ill 60137

Dear Ms. Holt:

Re: Licence # 34-19008-01MD
Docket # 030-15203
Reply to a Notice of Violation

As required, the following is the requested response to the violation cited during the inspection of July 16, 1992.

1. Reason for the Violation: I felt the information needed for decommissioning could have been found elsewhere in our files, and a formal file need not have to be maintained.
2. Corrective steps taken: A file has been created and filed with the other Radiation Safety files.
3. Corrective steps to avoid further violations: File will be updated as appropriate.
4. Date of full compliance: August 3rd, 1992.

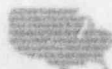

Sincerely,

Kamal C Amin
