Subject: Summary of Training and Experience of  
Operations for Clinton Power Station

Dear Gentlemen:

Enclosed, for your information, is a report prepared by Illinois Power Company (IP) entitled, "Summary of Training and Experience of Operations Personnel" (TEOP) for Clinton Power Station (CPS). This report summarizes the experience of individuals and shift crews at CPS as of December 1984 and projects that data to December 1985. The TEOP was prepared to demonstrate the quality of preparation of CPS operations personnel and to provide the assurance that they possess the required knowledge and experience to operate the plant safely and efficiently.

Please do not hesitate to contact us should you have any questions or comments regarding the report.

Sincerely yours,

D. P. Hall  
Vice President
