Dear Mr. Bowyer:

030-02672

Please amend our NRC License Number 34-01216-03 to include Xenon-133 gas, which will be used to perform pulmonary ventilation studies. The specific information and calculations regarding the quantity requested, as well as the Storage, Utilization, and Disposal Phases of the program are enclosed.

Oct.
10,
1979

In addition, please amend the license to include the physician whose pertinent educational and clinical experience data is attached.

Thank you for your attention to this matter.

Sincerely,

Allen Johnson
Executive Administrator
St. Vincent Hospital and Medical Center
