Teknekron Research, Inc.
1483 Chain Bridge Road
McLean, VA 22101

Dear Mr. Powers:

SUBJECT: ADDITIONAL INFORMATION RELATED TO MANAGEMENT AND TECHNICAL CAPABILITY

Enclosed is a revised Section 5 (part of Amendment 9) to the TMI-1 restart report. This revised section should be utilized in the work on your contract with us on utility management and technical resources.

Sincerely,

A handwritten signature in cursive script, appearing to read "Walter P. Haass".

Walter P. Haass, Chief
Quality Assurance Branch
Division of Project Management
